Re: Convention Assignment

Dear Brothers:

We are pleased to notify you of the convention assignment for your congregation. The theme of the 2025 convention program is "Pure Worship." Your congregation has been assigned to attend as shown below:

Saint Louis MO

July 4, 2025 - July 6, 2025

Saint Louis, MO Assembly Hall of Jehovah's Witnesses

953 Laredo Ave

Saint Louis MO 63138-3641

Be sure to inform teachers and employers of your assigned convention dates well in advance so that you and your family can be present in person for *all three days*. In due course, a *Rooming List* for your assigned convention will be made available. No hotel reservations should be made until further instructions are provided. In each congregation, the secretary will oversee matters related to the convention.

Publishers in groups or pregroups are encouraged to attend the convention being held in the language of their group, if they are able to do so, even if that convention falls on the same weekend as the convention to which their host congregation has been assigned. When the convention of the host congregation is on a different weekend, some publishers may choose to attend both conventions, but they should not feel compelled to do so.

There will be two special conventions held in the United States, thus, only a limited number of congregations will be assigned to one. To prevent overcrowding at other locations, please attend the convention to which your congregation is assigned, if that is possible. Most convention locations can only accommodate the congregations assigned and have limited parking, hotels, and other restrictive requirements. However, if due to circumstances you must attend a different convention, we ask that you do not select a special convention as your substitute location.

Our annual conventions give us a fine opportunity to enjoy both spiritual instruction and warm association with our brothers and sisters. (Deut. 16:15) May Jehovah bless your efforts to be in attendance!

Your brothers,
*Christian Congregation
of Jehovah's Witnesses*
