STEP BY STEP SCRIPT FOR SERVERS

Durrel picks up the emblems followed by Kim. Kim goes down West aisle to the back of the kingdom hall and Durrel begins by serving the 1st 2 rows from the wall from the West aisle.

Robert (who serves as auditorium attendant) moves to the front of the Kingdom Hall and takes his position to receive the emblems from the 2nd middle row in the East aisle. (1st row empty except for Giancarlo) Robert receives the emblems from the 2nd middle row and proceeds to serve the 1st 3 rows from the wall in the East aisle and then the 3rd row in the middle section. Durrel receives the emblems from the 3rd row and repeats the process with row 3 and 4 from the wall.

Kim and Steve (who serves as entrance attendant) serve those in the 2nd auditorium, bathrooms, lobby, etc. and then began serving from the back of the main auditorium using the same pattern as the front servers.

Front servers are observant as to the row that rear servers retire on.

When completed Kim and Durrel go to the back and lineup in the West aisle.
When completed Robert and Steve go to the back and lineup in the East aisle.

Kim moves down the aisle first, placing the emblems on the table and returning to his seat.
Robert moves down the aisle first, taking his seat in the front row, likewise with Steve. (seating order is now Giancarlo, Steve, Robert, Kim.)

Durrel then serves all brothers in the first row. Durrel serves the speaker. The speaker serves Durrel.
Durrel returns the emblems to the table.

Process now repeats with all servers seated in first row.
Please be attentive to any that may be partakers.
